

LOCAL SPRING-GREEN OWNER HONORED AT REGIONAL MEETING

Spring-Green Lawn Care Celebrates 10 Years in Business and Signs Additional 10-Year Agreement

(Columbia, SC)---Mark Gill, owner of Spring-Green Lawn Care in Columbia, was recognized for his achievements at the company's regional meeting in Clayton, North Carolina. From over a hundred Spring-Green Lawn Care territories, Gill's franchise was among a select group that received the "10-Year Diamond," recognizing 10 years in business as of 2010. Gill was presented an award in front of his peers this June. To celebrate his continued success, Gill will not only renew his Spring-Green franchise but expand his operation for another 10 years this July. He originally purchased his territory in April of 2000.

James Young, President of Spring-Green Lawn Care, said, "Regional meetings are a great opportunity to recognize the exceptional contributions of our franchise owners and to share best practices, renew acquaintances and celebrate our organization's overall success. 2009 was a challenging year. Our franchise system persevered, once again proving that our business model is economically resilient. That testament is a direct reflection of our franchise owner's commitment to executing the Spring-Green systems."
